

Size 10

**Print Template @100%
scale or Actual Size**

STEPS

- 1. Check the scale for a perfect match against an actual ruler or by placing a credit card.**
- 2. Place this on a smooth and hard surface.**
- 3. Step on the sandal shape with your foot centered on the shape.**
- 4. The foot alignment on paper should look similar as shown here in pictorial explanation.**

For expert help, take a couple photos of your foot on this template and send it to support@canyonsandals.com
